## LEAVE A GIFT IN YOUR WILL

Remembering the Perley Rideau in your Will is an act that is generous, powerful, and surprisingly simple. It allows you to leave a more significant gift than would be possible during your lifetime, while still retaining control of your assets. It's also an opportunity to say that you believe in high-quality care for all frail seniors and Veterans.

**You can enable Seniors and Veterans to live life to the fullest.**

## **Donations to charity can be structured in many different ways:**

**Specific Bequest** - The Perley and Rideau Veterans' Health Centre Foundation receives a set amount of money or a percentage of the value of the estate.

**Residual Bequest** - A gift of all or a percentage of whatever remains after all taxes, liabilities, administrative expenses and specific bequests have been paid. The most significant advantage of this gift is that, as your estate increases or decreases in value over time, your donation changes in the same way.

**Contingent Bequest** - Your donation is modified or takes effect based on circumstances. For example, you direct the Foundation to receive a portion of your estate if other beneficiaries do not survive you.

Sample of bequest language to share with your advisor can be found on our website at [www.perleyrideaufoundation.ca/ways-to-donate/donation-will](http://www.perleyrideaufoundation.ca/ways-to-donate/donation-will)

### **SEEK FINANCIAL AND LEGAL ADVICE**

We strongly recommend you seek professional advice to ensure your financial goals are considered, your tax situation is reviewed, and your Planned Gift is tailored to your circumstances.
